

A1.1 Design Standards Variance Request

Date: _____
Project Name: _____ KU # _____
Submitted By: _____ Firm: _____

Current KU Design Standard - Briefly describe, or copy/paste applicable text from KU's Standards; note the item's name and Section number.

Requested Variance & Justification - Briefly explain details of variance from KU's Standards, and why variance is in KU's best interests; attach product data, drawings & other info to support or clarify:

Departmental Support for Variance Request - If this variance later results in maintenance costs that are above and beyond those which KU would normally incur, then the KU Department or Unit that supports and benefits from this request hereby agrees to cover those additional costs. Those costs may include but are not limited to the following (A/E &/or FPD to fill in, if applicable, or note as 'NA'):

Name of Department/Unit: _____

Dean or Director (signature): _____ Date: _____

FPD Response: ☐ Approved ☐ Denied (Reasons for approval or denial summarized below)

FPD PM (signature): _____ Date: _____

FPD Director (signature): _____ Date: _____
